EASTON GREENHORNS

The Easton Greenhorns invite you to visit one of our shoots, and then join us in the fastest growing shooting sport in the U.S.A. We are fellow members of EF&G and would like to introduce you to our game. We have met shooters who want to play cowboy and may have some of the equipment, but are a little intimidated to shoot for the first time and feel handicapped by not yet having all their gear. Most of us didn't have everything we needed when we started. Folks loaned us what we were missing ... and some were missing everything! When new shooters attend an event, we are more than willing to return the favor and loan equipment to them.

We dress as Cowboys and Cowgirls from the 1860s to the 1920s and use cowboy guns of the era. Pistols are single action Colts or clones as well as others manufactured during the same era. We use lever or slide action rifles chambered in a pistol caliber and double, pump or lever shotguns manufactured 1897 and earlier. We shoot at large steel targets at close range which must be shot in a specified order. Failure to follow the correct order results in a 10 second penalty. Misses are a 5 second penalty. We shoot 5 stages. Each stage follows a western theme and may have props such as windows to shoot through, cards to turn over or even a wood horse to shoot from. There are categories for different styles of shooting -- age, gender and type of guns used.

Our shoots start at 9:30 A.M. All upper ranges including the special events ranges are used. We have almost 100 steel targets and many props that will guarantee a day of fun shooting. All shooters are timed, and the results are posted on our Cowboy web site. Targets are close and varied to put the action in Cowboy Action Shooting.

This will be our first, full season of shooting at Easton. Last year we had five shoots, each with an attendance of between 35-45 shooters. Everyone is welcome including Ladies, Juniors, Buckaroos and Seniors. Visit our Website, www.eastoncowboys.net, for photographs and learn more about Cowboy Action Shooting. Call "Tin Ear" at 610-847-2798 or email tinear@epix.net for additional information.
